

HealthScope AI

Predict.Prevent.Protect.

THE RAISON D'ÊTRE

Why WE built this?

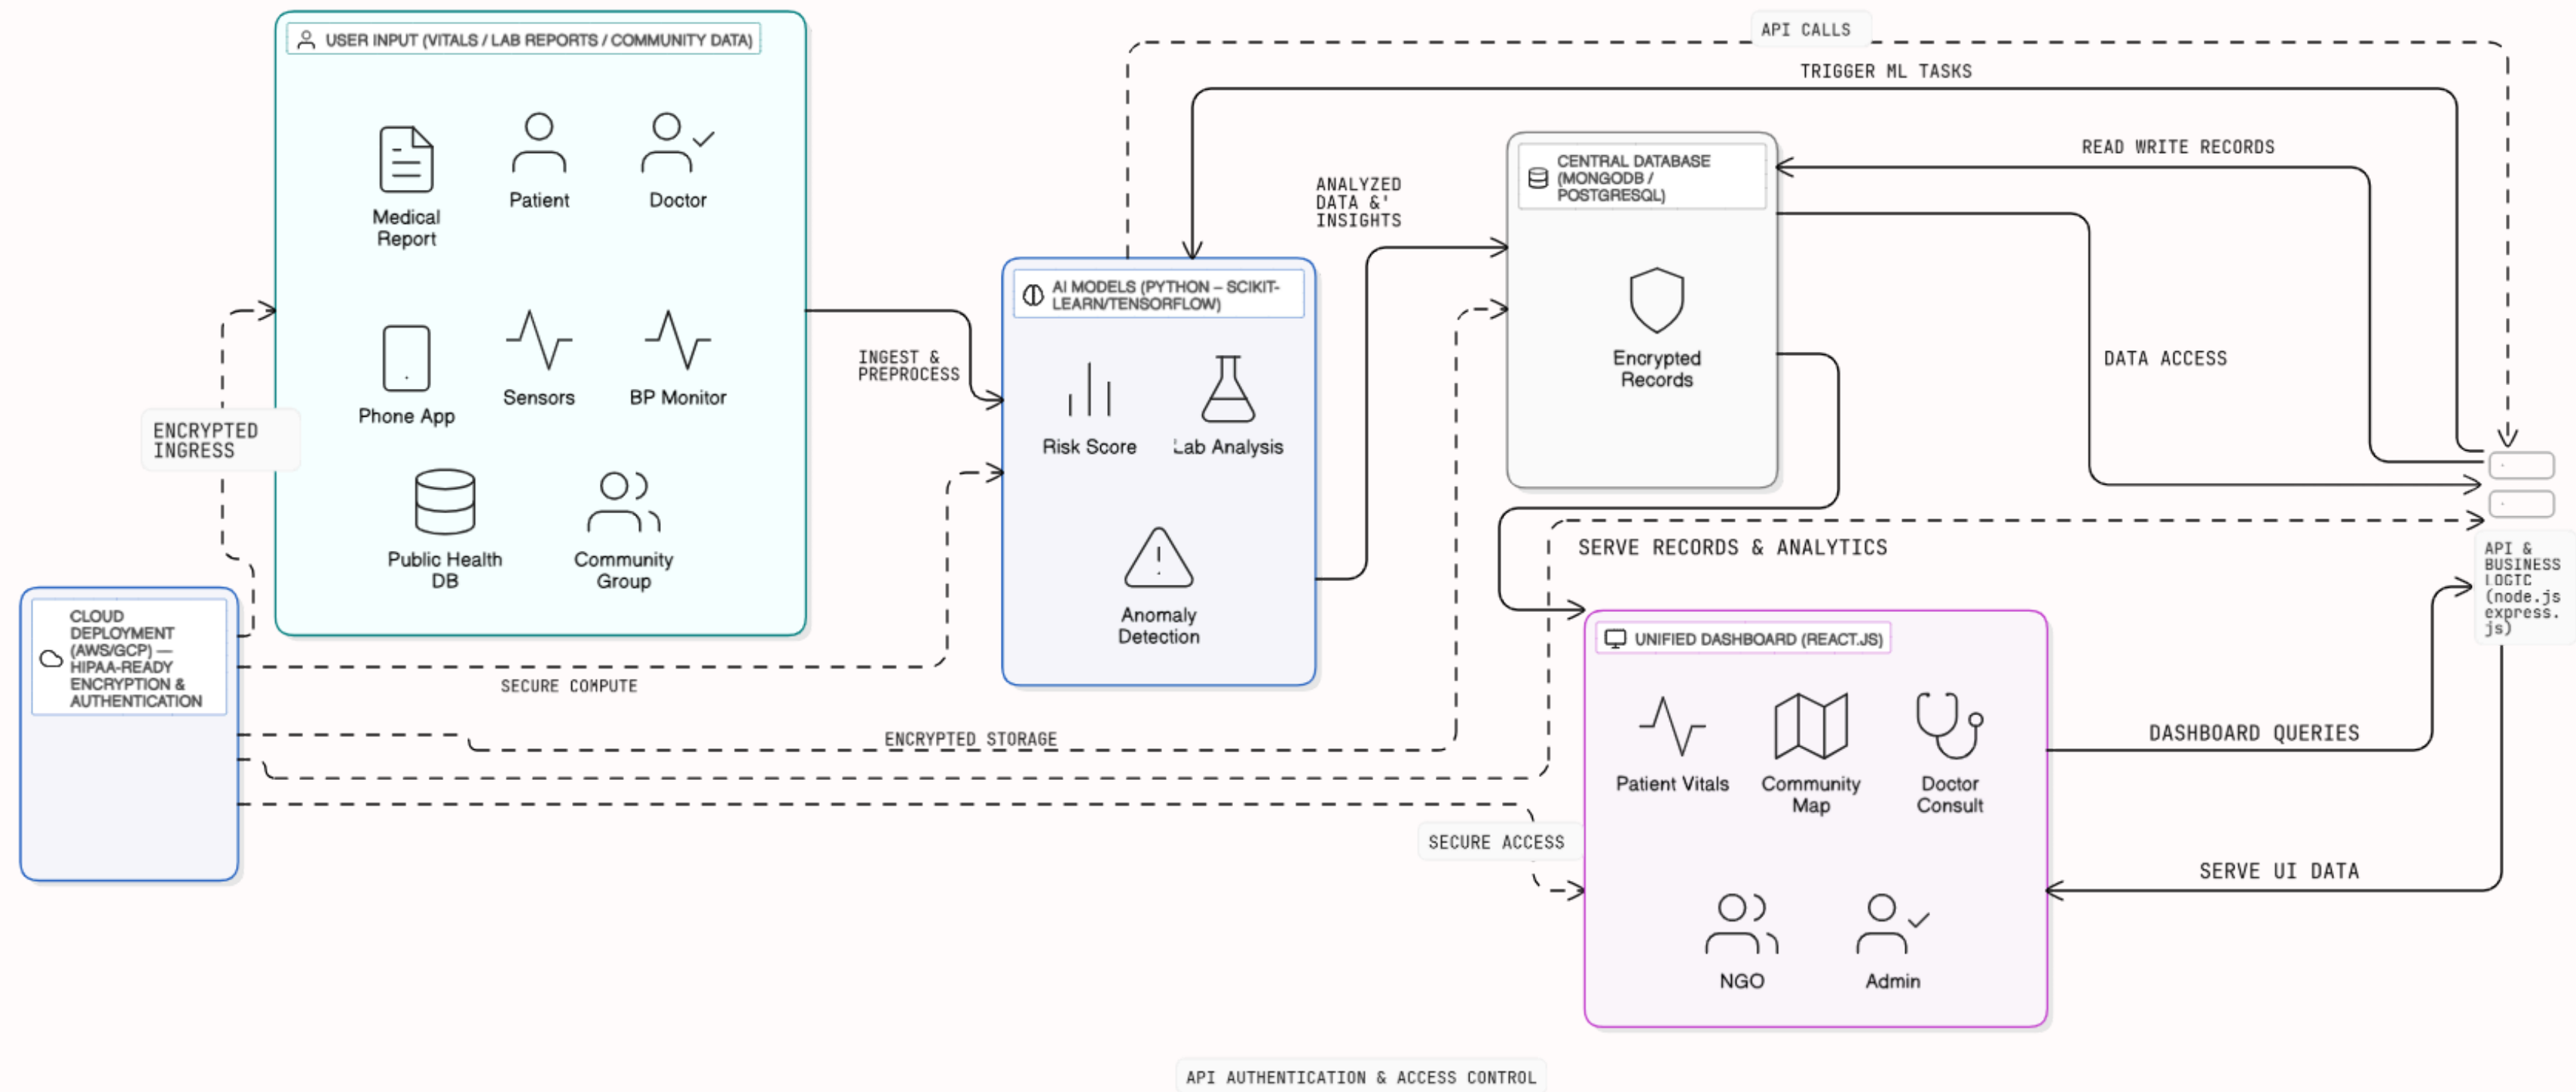

- **Healthcare today is fragmented, reactive, and confusing.**
- **Patients can't easily access doctors or interpret reports.**
- **NGOs and hospitals struggle with resource coordination.**
- **Policymakers lack real-time insights.**

THE SOLUTION

HealthScopeAI

TECH STACK

OUR USP

01

Unified ecosystem → brings all stakeholders on **one platform**.

02

AI-powered insights → risk predictions, layman report explanations, outbreak alerts.

03

Inclusive design → multilingual education + accessibility for underserved communities.

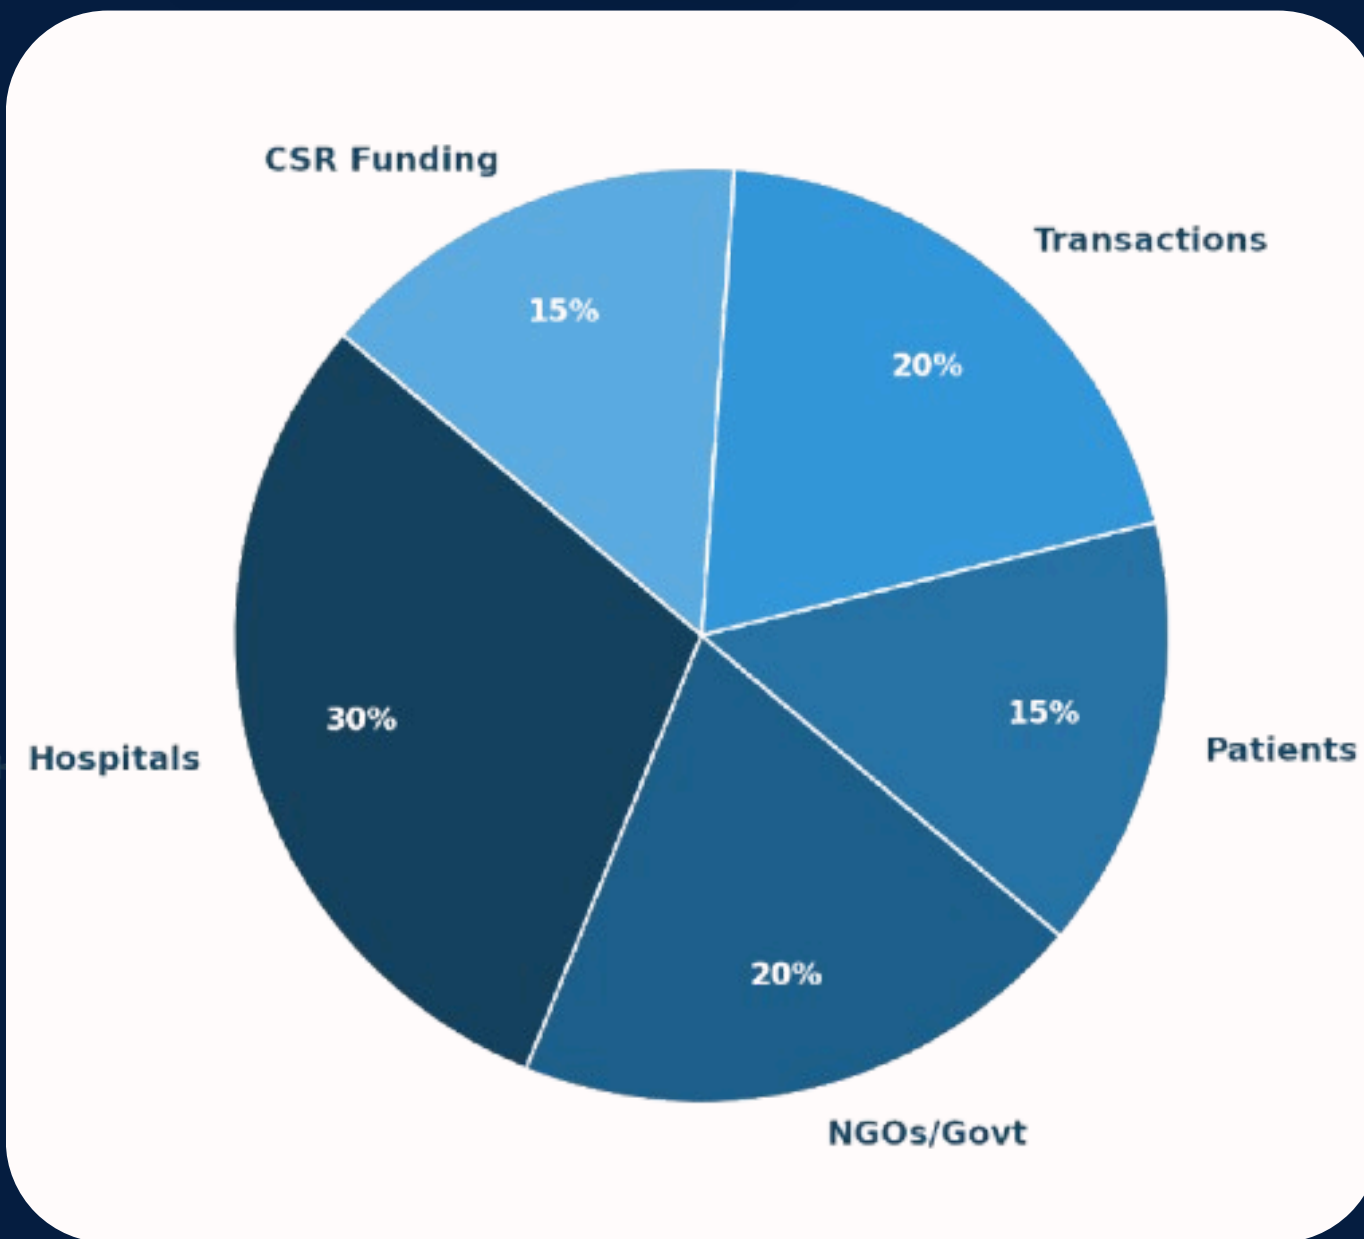

04

Scalable → modular dashboards for every user in the ecosystem.

REVENUE MODEL

HOSPITALS

Subscription SaaS → dashboards & AI tools.

NGOS/GOVERNMENTS

Premium analytics for campaigns & planning.

PATIENTS

Freemium → free basic app, upsell teleconsults & preventive packages.

TRANSACTIONS

Small % from lab tests, pharmacies, insurance claims.

CSR FUNDING

Unique NGO tie-ups attract corporate CSR, making it sustainable.

THANK YOU

**CONNECT WITH US.
BECAUSE PREVENTION IS BETTER THAN
CURE**
